

## BFS SATURDAY ADVENTURERS: INFORMATION

BFS Saturday Adventurers Club is designed for children aged 5-8 years to explore, play and be free in the forest! We'll look forward to banding together as a friendly clan through nurturing our space and playing games.

Our base-camp is hidden deep in the woods where the wild things are... We have an Adventurers' Den, hammocks, a campfire circle, a cooking area, a tool station and a growing sapling glade. The woodland has a long history so there are lots of treasures to be uncovered: the children can dig for Victorian pottery, rummage under logs for bugs, wade through brambles to reach juicy blackberries. Each session our forest school leaders will also provide a new creative craft or teach a traditional, woodland skill.

**FOOD/DRINK** Every session we will do campfire cooking for a snack or hot drink. This is made a large feature of with the children actively participating in the food preparation and joining together around the fire to eat. Food sustainability is very important to us and as such all ingredients are locally sourced, Fair-trade, free-range, and organic whenever possible.

**A TYPICAL SESSION** lasts two hours: 10.30-12.30pm; together we walk into the woods orienteering with coloured markers. Each session comprises at least one new activity, outdoor cooking, and lots of choice/free play opportunity.

**PAYMENT** is due before the start of each term for all sessions in that block - BFS Saturday Adventurers costs £14 per child per session (discounts available for siblings in either Saturday Clubs).

**SIGNING UP** Forest School is most beneficial over a series of sessions. BFS Saturday Adventurers has been designed for children to attend monthly on a long-term basis (one to two years – after Saturday Minis and before Saturday Tribe). To join BFS Saturday Adventurers please email our session leader Aimee: [aimee@bristolforestschool.co.uk](mailto:aimee@bristolforestschool.co.uk)

**OUR SITE** Bristol Forest School is situated in the beautiful, private woodland at Leigh Court Farm, where we have developed a variety of specialised play-based, exploratory areas for children - and we're making more all the time!
